Review Report

We have reviewed the accompanying interim condensed balance sheet of Emirates Integrated Telecommunications Company, PJSC ("the Company") as of 30 June 2006, and the related statements of pre-operating costs, changes in equity and cash flows for the period from 28 December 2005 to 30 June 2006. These interim condensed financial statements are the responsibility of the Company's management. Our responsibility is to issue a report on these interim condensed financial statements based on our review.

We conducted our review in accordance with the International Standard on Review Engagements 2400. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the interim condensed financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not presented fairly, in all material respects in accordance with International Accounting Standard 34, 'Interim Financial Reporting'.

Notes to the interim condensed financial statements

Legal Status and principal activities

Emirates Integrated Telecommunications Company, PJSC ("the Company") is a public joint stock company with limited liability. The Company was incorporated according to ministerial resolution No. 479 of 2005 issued on 27 December 2005. The Company was registered in the commercial register under No. 77967 on 28 December 2005.

The Company's principal objective is to provide wire, wireless and associated telecommunication services. The management expects that the commercial operations of the Company will commence by the end of year 2006.

The principal address of the Company is P.O Box 502666 Dubai, United Arab Emirates.

2 Statement of compliance

These interim condensed financial statements have been prepared in accordance with the International Accounting Standard 34, 'Interim Financial Reporting'.

3 Basis of preparation

- (a) The interim condensed financial statements have been prepared under the historical cost convention and are presented in United Arab Emirates Dirhams (AED) rounded to the nearest thousand.
- (b) The preparation of interim condensed financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and reported amounts of financial assets, liabilities and the provisions in the financial statements. Actual results may differ from these estimates.

4 Significant accounting policies

(i) Property, plant and equipment

Property, plant and equipment are recorded at cost less accumulated depreciation and impairment losses, if any.

Assets acquired from related parties are stated at revalued amount less accumulated depreciation.

Depreciation is calculated on a straight line basis over the estimated useful lives of the assets which is as follows:

	Years
Buildings and leasehold improvements	20-25
Plant and machinery	3-10
Office equipment	3-5
Furniture and fixtures	5
Motor vehicles	4

Capital work in progress is stated at cost. When commissioned, capital work in progress is transferred to property, plant and equipment and depreciated in accordance with the Company policies.

(ii) Goodwill

Goodwill represents the excess of cost of acquisition over the fair market value of identifiable assets and liabilities acquired. Goodwill is tested annually for impairment and carried at cost less accumulated impairment losses, if any.

(iii) Inventories

Inventories are stated at the lower of cost and estimated net realisable value. Costs includes expenses incurred in bringing each inventory item to its present location and condition and is determined on a weighted average basis. Net realisable value is based on estimated selling price in the ordinary course of business less estimated costs necessary to make the sale.

4 Significant accounting policies (Continued)

(iv) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand and balances with banks under current, call and fixed deposits maturing in less than three month from the balance sheet date.

(v) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) arising from a past event, and it is probable that an outflow of economic benefits will be required to settle the obligation and a reasonable estimate can be made of the amount of obligation.

(vi) Impairment

The carrying amounts of property, plant and equipment are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the asset's carrying amount is reduced to recoverable amount. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount.

(vii) Foreign currency transactions

Transactions denominated in foreign currencies are translated to AED at the foreign exchange rates ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated to AED at the foreign exchange rates ruling at the balance sheet date. Non-monetary assets and liabilities denominated in foreign currencies, which are stated at historical cost, are translated to AED at the foreign exchange rates ruling at the date of transaction. Exchange differences have been dealt with in the interim condensed statement of pre-operating costs.

5 Deferred fees and Indefeasible right of use

	30 June 2006 AED 000
Telecommunication licence fees	122,266
Indefeasible right of use	109,315
Spectrum/frequency authorisation fees Numbering fees	52,633 14,057
	66,690

Telecommunication licence fees represent the fees incurred for obtaining the licence to operate as a telecommunication service provider in the United Arab Emirates. The fees are being amortised on a straight-line basis over a period of 20 years from the date of granting the licence by the Telecommunication Regulation Authority of United Arab Emirates.

The Indefeasible right of use represent the fee paid to an operator of fibre-optic cable system for the right to use its submarine fibre-optic circuits and cable system. The fees will be amortised on a straight-line basis over a period of 15 years from the date of activation of the cable system.

Spectrum/frequency authorisation fees have been charged by the Telecommunication Regulation Authority of the United Arab Emirates for the authorisation of various frequencies to be used by Company.

Numbering fees have been charged by the Telecommunication Regulation Authority of the United Arab Emirates for the allocation of the right of use of mobile number ranges.
