Mobile Number	Package	Validity	Size	Price	
Enter Number 971588195098	National Data Boo...▾	30 days	12 GB	AED 50	✕
Enter Number 971588195102	National Data Boo...▾	30 days	25 GB	AED 75	✕

Add a number

Submit my request

1. Only 1 bundle can be activated per number.

2. If the number has already an active data bundle, then user can't add the number to the activation list.

3. If the number is suspended, then the user can't request to activate data bundle.

4. The bundle will be charged prorated.

5. The user can Enter up to 20 numbers per request, and he can submit many requests.

You will get the following confirmation screen once the request has been submitted.
